Dear Friend:-

So many of our customers have asked us to notify them when we will be able to supply Philadelphus Virginal that we consider our present quantity worthy of special announcement.

We have exactly one thousand one year plants ready for immediate shipment.

While they last \$2.00 each, \$1.75 each for more than five, \$1.50 each for more than twenty-five.

Remember that for the past eighteen months we have refused orders at \$2.50 each.

Place your order on this card and pay after you receive the plants in a satisfactory condition.
